Order Dated 17/3/77

No. 4597

Bundy Prof. Division
Commissioner's Office
Bangalore - 26th February 1877

To

The Secretary to the
Chief Commissioner
of Mysore.

Sir,

Adverting to the Chief Commissioner's Pro: No. 15 of the 16th Ultimo, calling for an expression of opinion on the new forms of Inamty accounts framed for use in settled Taluks, I have the honor to state that the Dy. Commissioners of Kolar and Tumkur think that the forms are suitable. The Dy. Commissioner of Bangalore however submits the following points for consideration -

I. That it is hardly possible to clap the Inams in Form A

ing statements 1, 2, 3 and 4 of Class XI and 5 of Class II may be dispensed with. These forms separately shew the amount of inam which cannot be known from the proposed form A ; a head may be added therein to give this information.

I am of opinion that, with amendations as stated above, the proposed forms may be introduced from the next year, if considered necessary.

From the Deputy Commissioner, Kadur District, To the Commissioner, Nagar Division, No. 868, dated 12th March 1877.

In acknowledging the receipt of your circular No. 548, dated the 24th January last, forwarding for opinion, Chief Commissioner's Proceedings No. 15, dated the 16th idem, together with two forms of inamti statements, I have the honor to submit my opinion as follows :—

2. This statement is deficient in column to shew the inams, the beriz whereof is raised by the Inam Department, as well as those which are resumed by Government in consequence of resignations, &c. between the columns "Description of inam" and No. of titles, I would suggest therefore that five additional columns with the following minor heads may be opened, *viz*:—

Statement A of Minor Inams.

Major Head.	Minor Heads.					
1st. Inams as per previous year's accounts.	1. Extent.	2. Amount.				
2nd. Increase during the year.	1. Extent.	2. Amount.	3. Remarks.			
3rd. Total.	1. Extent.	2. Amount.				
4th. Decrease during the year.	1. Extent.	2. Amount.	3. Remarks.			
5th. Balance	1. Extent.	2. Amount.				

3. When the title of an inam is in the name of one person and the warg in that of another, and when the latter resigns the warg, the inamdar is not in possession, the jodi ceases to be paid, but as there is no column in the statement to shew the amount of such jodi which cannot be recovered under such circumstances, the columns "payable to Government" under each of the heads "former jodi" and "combined quit-rent" will have to be sub-divided into recoverable and irrecoverable.

4. Likewise in this statement, the column of "total beriz or amount under gross revenue" will have to be sub-divided into 5 columns, *viz*:—1, beriz for past year, 2, increase during the year, 3, total, 4, decrease, and 5, balance with minor heads as in statement A; and two sub-heads namely "recoverable" and "irrecoverable" opened under each of the columns "former jodi" and "combined quit-rent".

Statement B of whole Inam Villages.

5. As in the accounts now kept the beriz is entered collectively and not classified into dry, wet and garden, &c., it will be impossible to particularize under the 9 heads, dry, &c., the jodi balance after deducting the amount of jari inamti.

6. It is not clear whether the settled kayamgutta (Class II, No. 2) and kayamgutta mahal jodi, (No. 5) as also arvasi agrahar villages (No. 6), have to be shewn or not in the A and B statements which contain no specified columns therefor.

7. In the Chief Commissioner's Proceedings under advertence it is stated that accounts for the settled taluks should be sent in the new forms, and those for the unsettled in the old ones. As the preparation of two sets of accounts will entail a great deal of clerical labor in the District office, I would venture to recommend that the accounts for both settled and unsettled taluks may be ordered to be prepared and submitted either in the old or new forms.

From the Deputy Commissioner, Chitaldroog District, To the Commissioner, Nagar Division, No. 4, dated 3rd April 1877.

In advertence to your circular docket No. 548 of the 24th January last, giving cover to copy of the Chief Commissioner's Proceedings No. 15 of the 16th idem, calling for opinion on the subject of the introduction of two forms (A and B) of inamti accounts, therewith forwarded, I have the honor to state that, in order to dispense, hereafter, with the submission of the existing statements, *viz*., 1, 2, 3 and 4

of Class XI and 5 of Class II, I find some more particulars wanting in the forms now received, and I therefore submit for approval revised forms A and B which I would suggest being introduced. I beg at the same time to add that, to enable this office to prepare these statements, it is essential that the Inam Department should be requested to furnish me with talukvar statements, in the form (C) I herewith submit, shewing the particulars of the settlement of inams which the quit-rent registers furnished to the taluks do not contain. It will be inconvenient to adopt the new forms until the few inams which remain yet unsettled as mentioned in my letter No.——— dated ———————— are fully settled.

From the Deputy Commissioner, Chitaldroog District, To the Commissioner, Nagar Division, No. 57, dated 17th April 1877.

With reference to the Chief Commissioner's Proceedings No. 95, dated the 17th ultimo, passing orders on the Nundydroog Commissioner's opinion on the new forms of inamti accounts, received under the cover of your circular docket No. 658 of the 31st ultimo, and my letter No. 4 of the 3rd instant submitting my opinion on the same subject, I have the honor to state that if the Inam Department supply this office with quit-rent register of each taluk similar to those of the Harihar Taluk, received with your docket No. 789 of the 29th January last, there will be no necessity for their furnishing me with statements of individual inams in the form C submitted with my letter above quoted, except the particulars required in the column headed "Inams under various items of the beriz, *viz.*, mohatarfa, sayer, toddy, arrack, salt pan and other items if any," which are not available in the quit-rent register above alluded to.

2. As regards whole inam villages the particulars of the extent only of dry, wet, and garden lands are given, but not their respective assessments in the above quit-rent registers, *vide* case No. 15, title-deed No. 449, at page 96, 97 of the Harihar register. But the details of assessment are necessary for the preparation of statement form B received with your circular docket No. 548 of the 24th January last.

No. 979—Rev.-M. 50, dated Bangalore, 4th July 1877.

Order thereon.—*Form A.*—With reference to the suggestion contained in para 6 of the Nagar Commissioner's letter No. 157—70, dated 18th May last, Colonel Campbell is referred to para 5 of this office Proceedings No. 95, dated 17th March 1877, in which it was directed that the increase and decrease in the number of inams owing to release or relinquishment should be shewn on the reverse of the statement. If necessary the details may be furnished in a separate statement.

2. In para 7 Colonel Campbell suggests that a new column should be opened to exhibit the amount of "Jari Inam" which inamdars are entitled to enjoy. The Chief Commissioner considers it unnecessary to do so, as the amount of jari inam can be easily ascertained by deducting the jodi from the "total beriz."

3. The suggestions contained in para 8 are concurred in by Mr. Saunders and the necessary additions have been made in the proposed form.

4. With reference to what is stated in para 9, it is observed that, except in the case of items Nos. 6 and 8 ("village service in jodi, sarvamanya and kayamgutta villages" and "kodigi inam and kerebandi, &c.") the order and designation of all other inams, enumerated in column 3, correspond with those prescribed in the accounts of the Inam Department. It was considered desirable and useful to sub-divide "village service" into (1) Government village service and (2) village service in jodi, kayamgutta and sarvamanya villages. Item No. 8 (kodagi inams) must be retained as these inams have to be settled under the rules recently sanctioned by the Government of India.

5. *Form B.*—Adverting to para 10, in which the Commissioner brings to notice that the amount of jodi payable to Government under each head of revenue, *viz.*, dry, wet, garden, mohatarfa and sayer, is not ascertainable from the registers now furnished by the Inam Department, the Chief Commissioner directs that the requisite information under the

should be exhibited. The entries made in this form according to the quit-rent registers of the taluks, the inam settlement of which preceded the survey operations, should, under the authority noted in the *margin, continue to be altered as the survey settlement of each of such taluk is completed. The area of inam lands in the taluks brought under survey operations has to be shewn by acres, guntas and yards, and that of those in unsurveyed taluks, by kandis, kudus and seers. Hence the entry of both kinds of inams in one column will not admit of correct totals being arrived at. I therefore recommend that the column "Extent" should be divided into two sub-columns, one headed "as per old accounts" and another headed "as per survey accounts."

* Chief Commissioner's Office Rubkari No. 89, dated 27th February 1867.

9. The order and designation of inams as given in column 3 of the form slightly differ from those mentioned in the accounts of the Inam Department as pointed out below :—

As per Form A.	As per List of the Inam Department.
1. Devadaya.	1. Devadaya.
2. Dharmadaya.	2. Dharmadaya.
3. Personal.	3. Personal.
4. Miscellaneous service.	4. Miscellaneous service.
5. Village service.	5. Village service.
6. Village service in jodi, sarvamanya and kayamgutta villages.	6. Village artizans.
7. Village artizans.	7. Miscellaneous.
8. Kodgi inams and kerebandi.	8. Nil.

In conformity with para 3 of the Chief Commissioner's Proceedings No. 1 of the 1st April 1876, the form requires to be so altered as to correspond with the accounts furnished by the Inam Department.

Form B.

10. The sub-columns of major column 6 of this form are intended to shew the amount of jodi payable to Government under each head of revenue, *viz.*, dry, wet, garden, mohatarfa, sayer, &c. These details are not ascertainable from the registers now furnished by the Inam Department, and cannot therefore be exhibited in the form, unless they be hereafter supplied by the Inam Department.

11. Column 3 of the form contains 13 old designations of inams which, under para 3 of the Chief Commissioner's Proceedings No. 1 of the 1st April 1876, have to be merged in 7 new designations of inams as per accompanying copy of a list received in the Shimoga Deputy Commissioner's office from the Inam Superintendent.

12. The remarks made in paras 6 and 7 regarding form A are applicable to this form also.

13. I request the favor of being informed, what is meant by the term of "Inam jodi" mentioned in the 4th sub-column of column 6 of the form.

From the Deputy Commissioner, Shimoga District, To the Commissioner, Nagar Division, No. 1233, dated Anantapur, 17th February 1877.

In reply to your circular No. 548, dated the 24th ultimo, forwarding for an expression of opinion two new forms A and B (received with Chief Commissioner's Proceedings No. 15, dated 16th January 1877,) relating to inams in settled taluks, I have the honor to submit the following opinion.

Form A provides for the following particulars of land inam:—dry, wet, garden—total—former jodi, combined quit-rent. There is no head to shew what is jodi and what is inam out of the total assessment and one may be provided therefor.

Form B contains the headings as per margin and refers to whole inam villages. The column "balance" provides for the balance under the respective items to be shewn. It cannot be done; because in villages which have been settled by the Inam Department the particulars can be had only for the gross revenue. No such particulars have been given for the "Inam" and they could not therefore be given for the balance remaining after deducting the inam from the gross revenue. The particulars under the balance contain an item "Inam jodi;" what amount should be shewn under this item is not clear. In the event of the proposed forms being introduced, it is stated that the exist-

Chief Commissioner's Proceedings Nos. 15 and 95, dated 16th January and 17th March 1877, respectively.

From the Commissioner, Nagar Division, To the Offg. Secretary to the Chief Commissioner of Mysore, Duftur Department, No. 157—70, Camp Kalhatti, dated 18th May 1877.

I have the honor to acknowledge the receipt of the Chief Commissioner's Proceedings No. 15 of the 16th January 1877, forwarding for opinion, two new forms of inamti accounts proposed to be substituted for the existing five returns, *viz.*, Class XI—Nos. 1, 2, 3 and 4 and Class II—No. 5.

2. The reports from the Deputy Commissioners of the Shimoga, Kadur and Chitaldroog Districts as per margin are herewith submitted in original.

1. From Shimoga No. 1233, dated 17th February 1877.
2. „ Kadur „ 868, dated 12th March 1877.
3. „ Chitaldroog „ 4, dated 3rd April 1877.
4. „ Do „ 57, dated 17th April 1877.

3. With reference to para 3 of Mr. Krishna Rao's letter I do not consider it necessary to have new columns headed " Jodi recoverable " and " irrecoverable, " as the class of cases mentioned by Mr. Krishna Rao are dealt with under the Chief Commissioner's Notification No. 189 of the 23rd October 1873, under which the whole warg is treated as sarkar land and the inam converted into cash payments.

4. The proposal contained in para 7 of Mr. Krishna Rao's letter, *viz.*, to have one set of inamti accounts for both settled and unsettled taluks, has already been considered by the Chief Commissioner, who, in paras 2 and 3 of the Proceedings under reply, has finally directed the adoption of differentf orms for the settled and unsettled taluks.

5. The amendments in the forms suggested by the Deputy Commissioners as well as those that appear to me desirable are noted below.

Form A.

6. It appears necessary that provision should be made for additional columns to shew the fluctuations in the extent and beriz of inams owing to release or relinquishment of inam holdings. A similar suggestion having been made by the Deputy Commissioner of the Bangalore District, the Chief Commissioner has in para 5 of Proceedings No. 95, dated 17th March 1877, been pleased to direct that such information should be shewn on the reverse of the statement. If it is intended that only an abstract of the results of fluctuations should be noted on the back of the statements, no fresh columns in the form are needed. If, on the contrary, it is intended that the extent of increase and decrease under each head of inam should be recorded, it will be more convenient to exhibit the results in the body of the form by opening additional columns as above proposed.

7. The form now contains columns to shew only the total beriz of inams and the amount payable by inamdars to Government. It is desirable that another column should be opened to exhibit the amount of " Jari inam " which inamdars are entitled to enjoy, in order that the form may fully supply the place of the existing accounts for which it is proposed to be substituted.

8. The form provides columns for entering the beriz on each of the three descriptions of inam land, *viz*, dry, wet and garden. In several cases the quit-rent registers received from the Inam Department do not supply these particulars. By way of illustration I beg to append in the margin an extract from the quit-rent register containing a few of such cases. When the inam settlement of a taluk takes place after completion of the survey operations, the Inam Department possess means to furnish the above particulars in each case; but it will not be so when the inam settlement precedes the survey settlement. Under these circumstances I think it expedient to lay down a rule that whenever these particulars are not forthcoming in the quit-rent register, the column should be left blank and the total beriz on the whole inam

7. With reference to the Túmkúr Deputy Commissioner's statement that the results of the final settlement of inams in all the Taluks of his District have not been communicated to him, the Chief Commissioner remarks that, from the Annual Reports furnished to this Office by the Inam Department, it would appear that the Quit-rent Registers have been furnished to the several Taluks several years ago. An explanation on this point is requested.

From the Commissioner, Nundydroog Division, To the Offg. Secretary to the Chief Commissioner of Mysore, General Department, No. 597, dated Bangalore, 26th February 1877.

Adverting to the Chief Commissioner's Proceedings No. 15 of the 16th ultimo, calling for an expression of opinion on the new forms of Inamti Accounts framed for use in settled taluks, I have the honor to state that the Deputy Commissioners of Kolar and Túmkúr think that the forms are suitable. The Deputy Commissioner of Bangalore, however, submits the following points for consideration.

I. That it is hardly possible to class the inams in Form A, with reference to the Quit-rent Register, as some of the headings in the latter differ from those of the former. For instance, the terms, "Agreed to and compulsory" and "not agreed to" under "III Personal" in Form A. do not appear in the Quit-rent Register and the term "Jivanartha" entered in the latter is not given in Form A.

II. That Form B does not shew whether a village is jodi or sarvamanya; that this information cannot be gathered from the Quit-rent Register; the latter moreover does not shew under which class or heading each village has been placed during the settlement.

2. With a view of assisting the Taluk and District officials in preparing these returns with accuracy, Mr. Ricketts suggests the advisability of a list being prepared by the Inam Department, shewing the various kinds of inams falling under each of the major and minor headings prescribed in the form, and in which suggestion I concur.

3. Mr. Ricketts also points out that no provision is made in the forms by which the increase or decrease in the number of inams owing to release or relinquishment can be shewn, but I presume that the entries required to be made on the back of the statement will afford these particulars.

4. On the introduction of these forms, I am of opinion that the Ardhamanyam Return, Class II, No. 6, may be dispensed with in addition to Nos. 1, 2, 3, 4 of Class XI and 5 of Class II referred to in the Proceedings under reply.

5. In conclusion I beg to add that Captain Ludlow remarks that the inams of all taluks in his District have been investigated, but the results of the final settlement not having been communicated to him as yet, the forms cannot be adhered to.

No. 95, DATED BANGALORE, 17TH MARCH 1877.

ORDER THEREON.—The Commissioner of the Nundydroog Division submits his views and those of the Deputy Commissioners, as called for in para 3 of the Chief Commissioner's Proceedings No. 15, dated 16th January 1877.

2. It is observed that the Deputy Commissioner of the Bangalore District is in error in thinking that the headings prescribed in the new Forms A and B differ from those of the Quit-rent Register. In Form A the Kanarese word "Jivanartha" used in the Quit-rent Register has been omitted, as inams of this class fall under the head "Personal."

The terms "Agreed to and compulsory" and "not agreed to" used in Form A have been merely substituted for "combined Quit-rent payable to Government" and "not agreed to," provided for in columns 13 and 15 of the Quit-rent Register.

3. Mr. Ricketts' second objection is also untenable, for the distinction between jodi and sarvamanya villages will cease to exist after the settlement of a taluk by the Inam Department.

4. The Deputy Commissioner's proposal concurred in by Colonel Pearse that a classified list of inams should be prepared for guidance, cannot be approved. The Quit-rent Register at pages 51 and 52 and 96—97 contains all the information required in regard to the different classes of inams.

5. The increase and decrease in the number of inams owing to release or relinquishment should be shewn on the reverse of the statements.

6. The submission of the Ardhamanyam Return, Class II, No. 6, will be unnecessary if the taluk for which it is prepared is completely settled.
